

20150622 Barony of Cynnabar

7:00PM

Location: Classic Cup Café 4389 Jackson Rd Ann Arbor, MI 48103-1831

Event and Demo Reports

Baronial Border Wars: Smaller event. Site not buggy. Lots of Archery, including a Viking ship burnt with fire arrows by those who had lost loved ones in the last year. Heavy combat- Cynnabar looked good. William (our Marshall for Fencing) authorized in sword and shield, and spear. The Cynnabar unit played Capture the Flag with the Baron of Northwoods as the target to capture. In the afternoon the Battlefield Bar was serving. There was shaved ice with homemade fruit syrups

Lilies War: Genoveva, Gregor and their son attended. Genoveva taught 2 classes; Pleat work and Drawn Thread. The site was beautiful, the company was good. There was a great archery event: you could board the Fierdracka (sp?) Viking longship and sail along the shore to shoot at targets!

Demo- Game of Thrones @ Pinkney Library: Daye, Claire, Gabby, and several others attended. A visitor from Northshield sang for much of the time. Luiza managed archery. Daye did an introduction to the SCA. Strange questions were asked, including one for “our shaman,” and for the loan of clothing.

Words from Their Excellencies Ermenrich and Kasha of Cynnabar:

See Quarterly Report.

Upcoming Baronial Events and Demos

Saline Celtic Festival (July 11, 2015) - \$75 Bar. Tardlebach says: Its coming along fine. The time for Monday measurements is not certain yet but should be 6 pm. Day passed a sign up for archery support. It is a very popular activity and needs lots of volunteers to run it safely. Adler has volunteered his trailer for moving equipment to and from. Finn sends his pop-up shape pavilion. Hjorlief the Blacksmith may be demonstrating. Alex the Blacksmith is an unknown quantity at the moment. Perhaps the Ballista will be there to be admired. Tear Down is Saturday at 7 pm. If you can do nothing else please come and help!

Grand Day of Tournaments (Saturday November 7th, 2015) – \$1980 Johannes reports: Lady Ilsa will run the tavern with Baroness Hannah as assistant. Who will be Gate manager? Peter, Luiza and Ceara are discussing creating a team to do it. Genoveva urges the team to get the web page up for the event before Pennsic, so people will be expecting the event. Lady Agnioletta will be consulted.

Old Business

St. Cecilia V: Jadwiga & Aaron. Budget= \$400.00, Lunch & Dinner Tavern(\$TBD) 2nd of 3 meetings. Monique and Aaron could not attend the meeting. Those present had no questions, and were generally approving of the plan so far. Claire encountered the pastor of St Paul’s and told her of the offer to sing

at Sunday service. Pastor is enthused! She also said that the church will market the event and the performance to members of the church.

Please contact Monique and Aaron if you need more information about the plans for this event.

Hold for Post Pennsic:

- **Trailer for List field parts.** A flat bed is available for \$329. Is a covered trailer better? 5'x10' would be best size. Shopping results:
- **Stickers with the Baronial Populace Badge** (and maybe name?) Cost? _____

New Business

Known World Baronial Championship at Pennsic War: July 5, 2015 \$200 Kasha and Ermenrich. 1st of 3 meetings. Again Cynnabar will host this heavy combat event at War. We serve fighter snacks and food for the assembled Barons and Baronesses of the Known World. \$200 is probably more than is needed, a more precise estimate can be created. Their Excellencies need volunteers to manage the food service. Sir Straum will be organizing the marshals and fighting activities.

Other Group Discussion

Group Archery Marshal: Forester Grey will train Lady Luiza Vincene as an archer marshal. She has agreed to be his deputy as group archery marshal and so he formally offers to take that position. They said that she is great with the paperwork. Grey is organizing a Wednesday Practice soon, at Jeremy and Melanie Bond's home. More to come. Practice at other sites is still unofficial and effectively by invitation.

Status check on Approved Budget Items:

Officer Reports

(normally done on 4th Monday of each month)

Exchequer (Aelfric (KExch for Ilsa) – The Baronial coffers currently hold 8581.5 pounds of bacon. mmmmm bacon. In current monetary terms that \$14502.66. [Holy Bacon, Batman >Kay] We currently still need to issue the event refunds, and 1 expense from Crown. The refunds will be done later this week.

Webminister (Aaron) – All is well, per Deputy Genoveva.

Fencing Marshal (William) – Rumor has it that Fencing proceeds in Cynnabar.

Min A&S (Arina) – Here comes the A&S report:

The plan of doing a monthly larger craft night has been torpedoed due to the limited number of Saturdays available, but the idea will be refurbished and fitted with a new hull and sailed off in autumn.

Since we are not coming to Pennsic this year, the craft Tuesdays will actually continue as normal, and there will be a dye weekend for the people that are still around, where we will be doing more than one color. If other people that are not going, let me know when they would have time to play with dyes, would contact me, it will be easier to coordinate.

Next MOAS A&S report is due July 15th, so please remember to make a note about what you have been up to A&S wise during the time until then, because I now Pennsic will affect memories.

Over and out, Arina de Traentorp MOAS

Min. Youth (Viktoria) – Children's and Youth activities for Celtic Festival are in the planning stages. These activities will need shade. Can anyone offer that?

Chatelaine (Daye) – A successful Pinkney Library Game of Thrones themed demo was reported above. Celtic Festival plans are in hand. We need people to bring, do, and practice interesting things at the Festival.

Chronicler (Gavriil) – [electronically via Lady Ceara] The Citadel is on schedule! Kay notes that last week's minutes included the Citadel's winning two William Blackfox Awards. That text is copied here for future generations to note the Glory of Cynnabar and her People.

Chronicler: THL Ermenrich von Duisberg.

Herald (Johannes) – New Heraldry Night location @ The Secret Bunker (Tardelbach & Hannah's home. See Johannes for directions) There have been no new submissions or returns of heraldry.

Knight Marshal (Gregor) – The Quarterly Report is in! Low attendance at Melee Practice, but more practice as a unit is happening at events. The new park location is convenient to parking and facilities. Lady Birka donated pads and foam for refurbishing the loaner armor and gear.

Archery Marshal (Grey) – SEE Announcements Get ready for Pennsic! Check your gear now. If you need his aid in getting ready ask early.

Baron and Baroness (Kasha and Ermenrich) – Please get recommendations written for their Majesties attention at regional events and Pennsic War. Also please advise us for Cynnabar awards. We need help with decorations for Baronial Court at Pennsic. The theme is Dante's Inferno (brainstorming of ideas followed).

We are still a Barony!

Seneschal (Kay) – Many thanks to those officers who submitted reports electronically or through deputies. It makes this a very easy report to write up. If you cannot make it a message even the day after the meeting will get into the notes.
boc.seneschal@gmail.com

I will be in China for the first 3 weeks in Jul. Lady Ceara will chair our meetings. Send to her if you have announcements of other items you want to delivered to meetings. Ceara Mhuirghease ceara.stephanie@hotmail.com

Kay will be back in time to chair the meeting on Monday 7/27, BUT, because so many people will be at Pennsic there is some question of who may be in town to come. **I will be at the Classic Cup from 6:45 to 7:15pm, but if no one else comes I will depart.** That week is Officer Reports. Please send them to boc.seneschal@gmail.com before you leave for Pennsic if you will not be at the meeting.

Have a great month, everyone! I will miss you all while you are at War.
