New Business

Proposal for Leather and Rivets for Armored Fighters – Gregor made a proposal to purchase for \$200 leather and rivets for use in our loaner equipment for armored combat. The Barony has in its collection numerous pieces of loaner armor in need of new materials that these materials would make functional. This proposal would help finance the necessary replacement of rivets and straps as well as enable me to make available new arm and leg defenses for baronial use. See attached proposal with breakdown of costs. No objections to date, however, Uillec mentioned he would check to see if he could locate a person with a Tandy discount we could use to lower the price. 1st of 3 meetings.

Other Group Discussion

None.

Forester Grey says he has an enormous pile of brewing honey which is available free or by donation. He has two 60# pails.

Baroness Kasha reminds everyone that the list of classes being taught by members of the barony is pinned to the top of the Cynnabar Facebook page. This includes Forester Grey's class, "Irreverent Opinions on Archery," Lady Bianca's class, "Herjolfesnes Gown," and Gregor's class, "Enhance Your Camp."

Joann's no longer carries 100% wool.

Note: **Mistress Kay is in China** for the first 3 weeks in July. Lady Ceara was scheduled to chair tonight's meeting, but was unable to do so tonight due to work commitments, so Genoveva stepped up to help. Ceara will chair the next meeting. Please send Ceara any announcements of other items you want to delivered for the next meeting. Ceara Mhuirghease ceara.stephanie@hotmail.com

Mistress Kay will be back in time to chair the meeting on Monday 7/27, BUT, because so many people will be at Pennsic there is some question of who may be in town to come. **She will be at the Classic Cup from 6:45 to 7:15pm, but if no one else comes she will depart.** That week is Officer Reports. Please send them to boc.seneschal@gmail.com before you leave for Pennsic if you will not be at the meeting.
