### Activity, Event & Demo Reports

St Valentine's Day: A big Cynnabar attendance. 6 people taught classes. Cynnabar took home the Pentemere Pearl Arts Prize based on the basket worked by Hon. Lady Kathrine. Jason Irenfist Knighted. 46 of us processed with him. Baroness Kasha received a beautiful Evergreen with a scroll made by Baroness Hannah. WHO received the other award given in Court? Please report. It was a really good day for Cynnabar, says the Baron.

Staying in the official event hotel was fun. Lots of people to visit with in the lobby and bar.

- Duchess Elina responded to my message urging the organizing committee to get events and activities up on the calendar soon. The plan is, “Staff members are just now turning in schedules for events, and as we get them we will be posting them on the website. ... Check back often, the updates will start happening more frequently as they are arranged. The staff has a deadline for the end of the month for the first pass at a full schedule.”
- Shall we discuss the Baronial Presence at 50 Year Celebration?
- Kasha and Ermenrich will attend the second weekend.

### New Business

**Shall Cynnabar offer to be a test site for the coming PayPal reservation and onsite credit card procedure?** Kay

- We would need a “Reservationist” to receive the emails of information sent by the Kingdom Deputy Exch. For PayPal, and add people to our roster of paid reservations.
- About 3 weeks before the event online reservations are closed, and the Deputy sends us the list of reservations and a check for the gate and feast fees, minus a set fee per transaction. Aelfric estimates that at around \$.50 per PayPal transaction. Stewards would need to plan and budget for this expense if they want online reservation services
- This does NOT make sense for Cynnabar, unless there is a feast planned. Our events do not need early notice of attendance.

- We are interested in taking Credit Cards at the Gate. [Kay will query Aelfric]

### Words from the Baron and Baroness (Kasha and Ermenrich) –

We won a great item in the Silent Auction: An Evening of Entertainment with Ms. Tsof! We suggest this be for the Eat it, Burn it, Drink it, Party the last Friday of Pennsic.

### Announcements:

Via Email Tuesday 2/9: Baroness Genevieve Rose de Glendalough, Sub commander of Target Archery for Pentamere , “To enhance the **planned Pentamere archery presence out on the Pennsic War archery field** each Barony provide their Barony’s device in the form of a small flag to be hung on the flag pole or

tents under a larger flag of the Pentamere Device. 12X12 inches and two sided. ...This would serve as a rallying point each day for the Archers of Pentamere..."

- We might hold a good workshop to make a batch of similar or larger banners for the Barony to use. Or people could paint baronial banners for their own pavilions. I want that, myself.
- Ms Helene would help us to run a 2 part workshop, or a longer one with time for resist to dry.
- B&B say Not Laurel Wreath on the flag for the Archer Range.
