5. St. Cecelia 2024
 - a. 2024 date (possible June 22nd 2024?)
 - i. It was suggested to continue to discuss this further for brainstorming – other ideas from tonight’s meeting are:
 1. This is a successful event, if we did both “around the same time of the year” how far apart is reasonable to do Terp and St. Cs?
 - a. Tonight’s group felt that no less than 3 weeks apart
 2. Expression of concerns of too much going on still in the Fall to try to move it to that time of the year. It’s no better than June

3. Would we be able to alternate years holding Terp and St. C's?

Baronial Changeover:

- July 5th - **Polling is open!**
- There will be TWO Polls - one for residents (those that live within the Barony's geographical borders) and one for those outside of the group. You DO NOT need to be a paid member to participate in polls, but you do need to complete a poll within your geographical zip code.
- Polls will be primarily online – paper polls will be made available on request for anyone that prefers that method, We are planning to hold two Q&As/Candidate Interviews (one in-person and one virtual)
 - Thursday, July 20th - in-person. Questions can be brought up by individuals. This will happen instead of the regular meeting (although if we have pending business I will do this quickly, first).
- 11:59pm on July 26th - Polling is closed.
- October investiture at Grand Day.

Their Excellencies -
